

TCS NQT 2025 – Detailed Syllabus

1. Foundation Section (Mandatory for All)

Numerical Ability: Numbers, HCF & LCM, Algebra, Percentages, Ratios, Profit & Loss, Time & Work, Speed & Distance, Geometry & Mensuration, Permutations & Combinations, Probability, Data Interpretation.

Logical Reasoning: Seating Arrangement, Puzzles, Blood Relations, Directions, Data Sufficiency, Coding-Decoding, Series, Critical Reasoning.

Verbal Ability: Reading Comprehension, Grammar, Sentence Correction, Vocabulary, Cloze Test, Para Jumbles, Error Spotting.

2. Programming Section

Programming Logic: Data Types, Variables, Control Structures, Functions & Recursion, Arrays, Strings, Pointers, Structures, OOP Basics, SQL Queries, Debugging.

Hands-On Coding: Arrays & Strings, Data Structures (Stack, Queue, Linked List), Recursion, Searching & Sorting, Hashing, Pattern Printing, Basic DP.

3. Advanced Section (For Digital/Innovator Roles)

Advanced Probability, Complex DI, Set Theory, Critical Thinking, Decision Making, Time & Space Complexity, Pseudocode, Trees, Graphs, DP.

4. Psychometric Test

80 Questions in 30 minutes assessing workplace behavior & personality traits.

Exam Pattern (2025):

Foundation: 65 Qs / 75 mins

Programming Logic: 10 Qs / 15 mins

Hands-On Coding: 2 Qs / 45 mins

Advanced: 20 Qs / 30 mins

Psychometric: 80 Qs / 30 mins
